Summit Group, LLC.

Mar 2010 - Oct 2015

Web Development | Design Solution Manager

During my tenure as Web Development | Design Solution Manager at Summit Group LLC., I was responsible for the design, development, and maintenance of e-Commerce websites, as well as internal | external corporate websites. One of my noted accomplishments was the full front-end integration of RWD (Responsive Web Design) into the e-Commerce Platform.

Other Responsibilities include:

- Create cutting edge websites following current trends and best practices
- Design and develop HTML-rich Mass Marketing email campaigns
- Develop training programs and documentation
- Facilitate plans for upgrades and migrations of existing internet applications
- Coordinate testing activities within and outside the department as required
- Analyze system performance and recommend methods for improvement
- Maintain detailed documentation of programs and modifications
- JavaScript | jQuery | CSS | HTML | DHTML development
- 2013 Summit Group Chairman's Club Award Winner
- 2014 Summit Group Chairman's Club Award Winner
